WORK EXPERIENCE

ANALYST INTERN AT PAKISTAN METEOROLOGICAL DEPARTMENT

This experience has been incredibly enriching - giving me hands-on exposure to data analysis, weather data management, and real-time forecasting systems.

WEB DEVELOPMENT INTERN AT INNOVATION STUDIO

Gained hands-on experience in building responsive websites and applying modern web technologies with dedication and teamwork.

PROJECTS

HOTEL RESERVATION SYSTEM | [LINK](#)

Developed a Java Swing application with secure login, room booking, and integrated payment system. Ensured clean UI, data validation, and strong backend for a smooth user experience.

DJANGO ECOMMERCE WEB APPLICATION WITH AUTHENTICATION | [LINK](#)

Created a Django e-commerce website with user authentication, product management, cart, checkout, and order tracking. Used Bootstrap for a responsive, ready-to-deploy online store design.

MULTI-PAGE TECH AGENCY WEBSITE | [LINK](#)

Developed a multi-page business website using HTML, CSS, and JavaScript with responsive design and reusable components. Included admin panel, and animations for interactive user experience.
